

You are invited to join our

# Lego Build Club

Lego Build Club is a structured small group program where teams of three work together to complete a build. Each child is given a role: builder, engineer, or supplier. Team members rotate roles, giving children the opportunity to experience each position and develop a variety of skills.

## When:

**10am - 11:30am**

**Tuesday 8th April**

**Wednesday 9th April**

**Thursday 10th April**

**Ages: 6 to 8 years**

**Venue: Early Start  
Australia, Ashmore**

**Cost: \$ 504.00  
(\$168 per session)**

In groups of three, children will collaborate to build a Lego model. By assigning structured roles, they have the chance to practice various communication styles and social skills in a group setting. Our April Lego Club will be facilitated by psychologist, Monique.

Skills practiced in the Lego Build Club include:

- Communicating with peers
- Following and giving instructions
- Taking turns
- Following rules
- Building fine motor skills when handling the Lego
- Visual perception when finding and assembling Lego
- Executive functions such as impulse control, problem solving, and planning.
