**Wednesday, 9 July 2025**

Developed by Occupational Therapists, Speech Pathologists, and Physiotherapists, this group helps children build essential school skills through:

- Fine and gross motor activities
- Early literacy through shared book reading
- Group time routines and classroom readiness skills

Each session builds on the last, using fun, structured activities to support learning, communication, and participation in a group setting.

Attendance at all sessions is recommended

**Funding:**

This program can be accessed via private payment or through NDIS group program funding.
